Lifetime of Pin

Metrics are updated in real-time

Impressions	Pin clicks	Saves	Outbound clicks
-	-	-	-
The number of times your Pin was on screen	The total number of clicks on your Pin	The number of times your Pin was saved to a board	The number of clicks to the destination URL associated with your Pin

The data reported here is an estimate. Some charts require a minimum number of users to display. Daily data is recorded in UTC.
